Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. If the right-most "tab" is retained for a transparent tray, fold that "tab" 90 degrees again, away from the title "tab" next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.
10. Please appropriately discard this portion and the scrap bits of paper.

Heart Of The World

H. Rider Haggard wrote Heart of the World in 1895 and it tells of the search for a secret and hidden Mayan civilization living in a long lost city filled with gold and jewels! It is also a love story of a couple willing to give up everything, and I mean EVERYthing, for true love. And it is a melodramatic adventure story of good against evil. I am not sure which side wins, however it is a wonderful read! (Description by Paul Hansen)
